1	regulations, basically the gamut of regulations	1	And then I also had a SOMS team
2	that apply to the industry.	2	of SOMS manager and two associates.
3	Q. And why did you get your	3	Q. So SOMS was handled separately?
4	Master's?	4	A. Yes, separate from the
5	A. It was an area that I wanted to	5	manufacturing and distribution.
6	pursue and make sure that I had a thorough	6	Q. I want to talk to you about some
7	understanding, even beyond DEA compliance.	7	of the components of DEA compliance program at
8	Q. When did you first begin working	8	Qualitest based on what you just told us that
9	at Qualitest?	9	you handled on a day-to-day basis.
10	A. In August of 2011.	10	A. Sure.
11	Q. And when did you leave Qualitest?	11	Q. I believe one thing you just
12	A. In December of 2014.	12	mentioned was quota, so I want to talk to you
13	Q. So you were there about three	13	first a little about quota, okay?
14	years and a couple of months?	14	A. Mm-hmm, yes.
15	A. Yes, three years and four months.	15	Q. Before I do that, I want to ask
16	Q. What was Qualitest's customer	16	you whether you recall being shown a
17	base?	17	demonstrative that plaintiff's counsel put
18		18	together yesterday, it's Exhibit 4. I think you
	A. Primarily wholesalers and chains.	19	
19	Q. And when you say "chains," what	20	have it in front of you.
20	are you referring to?	21	A. Yes, I do.
21	A. Chain drug stores.		Q. It's called "Par Total Pills
22	Q. When you joined Qualitest, what	22	Shipped 2008 - 2015."
23	was your position?	23	A. Yes.
24	A. The director of DEA compliance.	24	Q. Do you remember that?
	Page 558		Page 560
1	Q. And during your time at	1	A. Yes, I do.
2	Qualitest, did your position change?	2	Q. Counsel represented to you
3	A. No.	3	yesterday that the information in this
4	Q. As director of DEA compliance,	4	demonstrative was based on information that Endo
5	can you explain to us a little bit of what you	5	had pointed him to.
6	were responsible for on a day-to-day basis?	6	Do you recall that?
7	A. Absolutely. I was responsible	7	A. I do.
8	for excuse me quota, recordkeeping, such	8	Q. Have you ever seen any of the
9	as dealing with DEA 222 forms, import and export	9	underlying data referenced in this
10	documentation, also end of year reporting, ARCOS	10	demonstrative?
11	reporting, SOMS and training for employees.	11	A. No, I have not.
12	Q. Did anyone report to you?	12	Q. Do you know what the data
13	A. Yes. Ultimately, I had eight	13	represents?
14	people that reported to me. When I first	14	A. No.
15	started there was one.	15	Q. Do you know if the data reflects
16		16	•
	Q. And just, generally speaking,		sales?
17	what were the functions of those people who	17	A. I'm not sure.
18	reported to you?	18	Q. You mentioned yesterday that it
19	A. So I had a person for each	19	could reflect more than sales.
20	each manufacturing and distribution facility,	20	Do you have a recollection of
	and they were responsible for the overall	21	that?
21	compliance of that facility all of the	22	 A. Yes, yes, it could actually also
22	compliance of that facility, all of the		
	activities that I mentioned, the day-to-day records and things like that.	23 24	reflect transfers, when DEA refers to a sale that can also be a transfer or a movement of

	Page 561		Page 563
1	product from your facility to somewhere else.	1	different departments at Qualitest to find out
2	MR. BUCHANAN: Move to strike,	2	what the needs of the department were. So if
3	called for speculation. The witness'	3	there were any research projects that were going
4	answer was speculation.	4	on, if there were any transfers or validations
5	BY MS. VANNI:	5	that were going on.
6	Q. Are you familiar with quota	6	So, for example, if product was
7	A. Yes.	7	being made in one piece of equipment and needed
8	Q and how quota is handled?	8	to be transferred to a different piece of
9	A. Yes, I am.	9	equipment, you would have to make three
10	Q. Do you know if this demonstrative	10	validation batches, that was an FDA requirement,
11	is accurate?	11	so we would need to get quota for that as well.
12		12	We would also have information on
	A. No, I do not.Q. Counsel also referred to	13	
13		14	destructions and information on sales, and we
14	Qualitest as pumping pills out.		would be submitting all of that information to
15	Do you recall that?	15	DEA and also answering any follow-up questions
16	A. I do.	16	that they had on those quotas.
17	Q. Can you describe for the jury	17	Q. How often would you have to apply
18	what quota is?	18	for quota?
19	A. Yes. So quota is a requirement	19	A. You would apply in April of the
20	by DEA, it's basically a permission to purchase	20	prior year for the current year. That was your
21	a certain in Qualitest's case, it was a	21	initial submission, and then throughout the
22	permission to purchase a certain quantity of raw	22	year, as things changed, you would submit
23	material for each controlled substance family.	23	additional quota requests if sales increased.
24	DEA regulates that amount every year, there's a	24	You could also surrender quota if you weren't
	Page 562		Page 564
1	new quota assigned, and it's based on several	1	Page 564 using it.

BUCHANAN: Objection to form. BY MS. VANNI: Q. Why is that? A. DEA basically regulates how much

Page 565 Page 567 1 Q. You also mentioned, I believe you 1 investigate and you'll have to explain if you 2 said recordkeeping or end of year recordkeeping 2 can't account for everything. 3 reporting. 3 Q. If you're not able to reconcile 4 Can you tell the jury what that 4 your numbers, what do you have to do? 5 5 MR. BUCHANAN: Objection to form, is? 6 6 A. Yes. So every transfer that we calls for narrative. 7 have of a Schedule I or II drug, which is what 7 THE WITNESS: You would have to 8 8 oxycodone or hydrocodone was, every movement report it to DEA if you can't reconcile, 9 9 that we make of those drugs is visible to DEA. and there could be a violation. 10 There's a form called a DEA 222 form, which is a 10 BY MS. VANNI: 11 three-part form issued by DEA. The purchaser 11 Q. You were asked some questions 12 receives a copy, the supplier receives a copy, 12 yesterday about the SOMS program at Qualitest. 13 13 and DEA gets a copy. So they're aware of every Do you recall that? 14 movement and every customer purchase of Schedule 14 A. Yes. 15 I or Schedule II drugs. So that's the 222s. 15 First of all, can you define what O. Then we also did ARCOS reporting, 16 16 SOMS is? 17 17 which is a quarterly report, could also be Suspicious order monitoring 18 18 monthly, depending on how the company wants to system. 19 submit it, but it's a quarterly report that sums 19 Q. And why is -- is a SOMS program 20 20 up all sales, all purchases. And by "sales," I important, in your view? 21 mean movement as well as actual sales. All 21 A. It is, yes. 22 purchases, all transfers that we would make 22 Q. And why? 23 within the company or externally, all of that is 23 Because we need to make sure that 24 24 recorded and submitted to DEA on a regular we're shipping product to customers that are Page 568 Page 566 1 1 basis. So, again, they have additional legitimate and that have legitimate use of the 2 2 information about your movements. product. 3 And then at the end of the year, 3 Q. You were asked some questions 4 4 yesterday about a DEA meeting that Qualitest had we also did an end of year report, and that was 5 a full accountability of everything on site 5 in March of 2013. 6 6 of -- a large part of that is your end of year Do you recall those? 7 7 inventory, and you count everything on site, and A. I do. 8 8 Q. And I believe that counsel made then you reconcile to the prior year's 9 9 inventory, and that gets submitted to DEA as some reference to Qualitest being called to or 10 10 well. summoned to the DEA in DC, and I think you 11 11 MR. BUCHANAN: Move to strike the referred to it as a different kind of meeting. 12 12 narratives, and, frankly, they should Can you describe the meeting that 13 13 proceed in a question, answer not with Qualitest had with DEA in March of 2013? 14 narratives. 14 A. Yes. 15 MR. BUCHANAN: Objection, 15 BY MS. VANNI: 16 16 And why is end of year reporting misstates the record. 17 17 THE WITNESS: DEA had a important? 18 A. It's important because it's a 18 distributor initiative that was ongoing 19 total reconciliation and it shows that you are 19 for several years, and it was their 20 able to account for all of your product. There 20 intent to meet with all distributors, 21 is some loss that's allowed by DEA, because they 21 all distributor registrants and to share 22 expect that you're going to have some 22 information, and it was really a meeting 23 23 manufacturing loss due to the processes, but where they were talking to industry 24 24 there's an unspoken percentage that DEA will about some possible things that they

I think it's a very important role. So it definitely took a long time to get the right person in and to write the job descriptions as well. Q. With respect to the DEA meeting that you were questioned about yesterday, you

Page 581 Page 583 1 1 coming back to the customers to ask questions, Q. I believe you mentioned customer 2 and so it was really just notifying them that, 2 visits as well? 3 you know, they might get calls from us that they 3 A. did have to fill out this questionnaire, 4 Were you able to implement 4 Q. 5 5 customer visits after the DEA meeting? basically putting them on alert to this change. 6 6 O. If the customers did not fill out We were, ves. 7 questionnaires, would you take any steps or 7 And why did you want to do that? Q. 8 actions or would anybody in your department? 8 It was one of the suggestions 9 9 that DEA had had, and I had seen it being A. Yes, we would follow up with them 10 at first to give them an opportunity. If it 10 suggested by DEA previously as well. 11 didn't -- hadn't been sent to the correct 11 12 12 person, we wanted to make sure that it 13 absolutely did get to the right person. If they 13 14 didn't fill it out after that, then we would 14 15 15 take action against them as far as not servicing 16 them. 16 17 17 Q. If I could direct your attention 18 18 to the third paragraph, it's the second sentence begins, "Qualitest is enhancing its due 19 19 20 20 diligence efforts when fulfilling orders to 21 provide greater assurance that our products are 21 22 purchased by appropriate patients for prescribed 22 23 23 uses." 24 Did I read that correctly? 24 Page 584 Page 582 1 Yes, you did. 1 2 2 Q. What did you mean by that 3 statement? 3 4 A. We wanted to make sure that we 4 5 5 were doing everything we could, meeting the 6 regulation, which is what we were doing 6 7 7 previously, but we also wanted to make sure that 8 we were building in some of the things that I 8 9 knew had been suggestions and feedback from DEA 9 10 in the past to make sure that we were doing 10 11 11 whatever we could to prevent our product from 12 getting into illegitimate hands. 12 13 13 Q. And I think we established you're familiar with the DEA regulations? 14 14 15 15 A. Yes. 16 16 O. The things that you were able to implement during your time at Qualitest with 17 17 18 respect to the SOMS program, were they required 18 19 under the regulation? 19 20 MR. BUCHANAN: Objection to the 20 21 21 form, foundation. 22 THE WITNESS: No, they were not 22 23 required. 23 BY MS. VANNI: 24 24

10 (Pages 581 to 584)

Page 585 Page 587 1 1 BY MS. VANNI: on an ongoing basis across the employee. 2 2 Q. And what time frame are we Q. Would you personally provide the 3 talking about here with respect to your 3 training, or would people on your team do it? description of the SOMS program, as you just 4 A. At first I was the main one 4 5 5 provided it? providing the training. Certain specific 6 As far as when did the customer training others gave, so, for example, our SOM 6 A. 7 visits start? 7 manager gave specific SOMS training. 8 Q. No, in terms of the questions 8 Q. What kind of -- what's your 9 9 that I was just asking you generally in terms of understanding of what training Mr. Brantley 10 the SOMS program, how it operated, what time 10 would provide? 11 frame are you referring to? 11 Basically, why we needed the SOMS A. 12 12 So the time frame of an order program. 13 13 pending versus the investigation and all the MR. BUCHANAN: Objection to form, 14 14 happenings, so it -foundation. 15 15 THE WITNESS: What types of O. My question was a little bit 16 different. 16 things we would look for and why it was 17 What years are we talking about 17 important, things that we would that the SOMS program operated like this? 18 18 document. 19 A. Basically 2013, 2014. 19 BY MS. VANNI: 20 You also when you were describing 20 Q. Prior to someone on your team 21 your overall DEA compliance responsibilities at 21 giving training to someone in the company, would 22 Qualitest, you had mentioned training? 22 you have a discussion with them? 23 Yes. 23 A. A. We were discussing things with 24 24 Q. What do you mean by "training"? employees all the time, so it was really an Page 586 Page 588 1 We did a lot of training for 1 ongoing education process, so we would train and 2 2 employees, a lot of different types of training. talk to all employees, all levels. 3 So the main one was the general 3 Q. Finally, you were asked some 4 overview, which covered I called it soup to nuts 4 questions yesterday about some industry groups 5 5 on the DEA regulations, all of the that you belong to, specifically the 6 recordkeeping, the requirements, storage 6 anti-diversion working group and the New Jersey 7 7 requirements, the general overview of quota, the Pharmaceutical Industry Group. 8 need for the suspicious order monitoring. It 8 Do you remember that? 9 covered everything. 9 A. I do, yes. 10 10 MR. BUCHANAN: Objection to form Can you describe for the jury 11 as to time again. I'm sorry it's 11 what the anti-diversion working group is? 12 belated, but if you want to correct it 12 Yes, the anti-diversion working 13 13 to clarify, I just wanted to give you group was put together -- it consisted of 14 notice. 14 manufacturers and distributors, it was a group 15 15 BY MS. VANNI: that met maybe four times total. It --16 16 When would you have implemented Q. What was the purpose of the Q. 17 17 training? group? 18 Basically when I started. 18 The purpose of the group was to A. 19 So we're talking like the 2011 19 collaborate, to see if there was a way that we Q. 20 time frame? 20 could impact abuse and diversion in a positive 21 21 A. Correct. way, to help to prevent it, and we came up with 22 And would the training be 22 the red flags video. Q. 23 provided at different points in time? 23 What is the red flags video? 24 24 It would, yes. It was provided It's a video that's directed to

	Page 589		Page 591
1	pharmacies and pharmacists, and it basically	1	shared, but there is some detail shared.
2	talks about things that they should look for in	2	Q. And why did you decide to join
3	patients or individuals that are seeking to	3	these groups?
4 .	divert the product.	4	A. The group actually started, the
5	Q. What is the what was the	5	New Jersey working group actually started
6	purpose of that?	6	through a request from the local DEA, and DEA
7	A. The purpose was to make sure that	7	was looking to have a good working relationship
8	pharmacists were aware of things to look for to	8	with industry and to make sure that we,
9	help to prevent diversion. We were concerned	9	together, could do, you know, everything that we
10	about it and wanted to try to do whatever we	10	could from a prevention of abuse and diversion.
11	could.	11	MS. VANNI: At this point I don't
12	Q. Do you know if the DEA was aware	12	have any further questions for you. I
13	of this group?	13	might have some follow-up after.
14	A. The DEA was aware of the group.	14	THE WITNESS: Okay.
15	DEA was actually I believe they were sent	15	MS. VANNI: Thank you. Pass the
16	also sent a copy of the video.	16	witness.

Q. What is benchmarking? A. Basically to see what other companies are doing in some areas so— Q. Why is that important? A. It's important because it helps to—helps to keep you abreast of what's new and what's developing. It also helps to know	4 5 6 7 8 9 10 11 12 13 14 15	Over the course of your deposition you've been asked a lot of questions or we've heard a lot of answers about a couple of different concepts that I want to discuss with you this morning, concepts such as ordering limits or thresholds. Are you familiar with that concept? A. Yes. Q. And customer dispensing data or dispensed data. Do you recall talking about that?
5 6 7 8 9 10 11 12 13 14 15 16	others in the companies that handled DEA compliance, and the group gets together maybe once or twice a year, and the purpose is to share learnings of DEA regulations and to get industry to do benchmarking. Q. What is benchmarking? A. Basically to see what other companies are doing in some areas so— Q. Why is that important? A. It's important because it helps to—helps to keep you abreast of what's new and what's developing. It also helps to know what's going on in other companies, because	4 5 6 7 8 9 10 11 12 13 14 15 16	Over the course of your deposition you've been asked a lot of questions or we've heard a lot of answers about a couple of different concepts that I want to discuss with you this morning, concepts such as ordering limits or thresholds. Are you familiar with that concept? A. Yes. Q. And customer dispensing data or dispensed data. Do you recall talking about that? A. I do.
5 6 7 8 9 10 11 12 13 14 15 16 17	others in the companies that handled DEA compliance, and the group gets together maybe once or twice a year, and the purpose is to share learnings of DEA regulations and to get industry to do benchmarking. Q. What is benchmarking? A. Basically to see what other companies are doing in some areas so Q. Why is that important? A. It's important because it helps to helps to keep you abreast of what's new and what's developing. It also helps to know what's going on in other companies, because sometimes you might want to implement something	4 5 6 7 8 9 10 11 12 13 14 15 16	Over the course of your deposition you've been asked a lot of questions or we've heard a lot of answers about a couple of different concepts that I want to discuss with you this morning, concepts such as ordering limits or thresholds. Are you familiar with that concept? A. Yes. Q. And customer dispensing data or dispensed data. Do you recall talking about that? A. I do. Q. And we've heard reference to
5 6 7 8 9 10 11 12 13 14 15 16 17	others in the companies that handled DEA compliance, and the group gets together maybe once or twice a year, and the purpose is to share learnings of DEA regulations and to get industry to do benchmarking. Q. What is benchmarking? A. Basically to see what other companies are doing in some areas so Q. Why is that important? A. It's important because it helps to helps to keep you abreast of what's new and what's developing. It also helps to know what's going on in other companies, because sometimes you might want to implement something internally and you're asked, you know, by others	4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	Over the course of your deposition you've been asked a lot of questions or we've heard a lot of answers about a couple of different concepts that I want to discuss with you this morning, concepts such as ordering limits or thresholds. Are you familiar with that concept? A. Yes. Q. And customer dispensing data or dispensed data. Do you recall talking about that? A. I do. Q. And we've heard reference to customer questionnaires, do you recall that?
5 6 7 8 9 10 11 12 13 14 15 16 17 18	others in the companies that handled DEA compliance, and the group gets together maybe once or twice a year, and the purpose is to share learnings of DEA regulations and to get industry to do benchmarking. Q. What is benchmarking? A. Basically to see what other companies are doing in some areas so Q. Why is that important? A. It's important because it helps to helps to keep you abreast of what's new and what's developing. It also helps to know what's going on in other companies, because sometimes you might want to implement something internally and you're asked, you know, by others in your company, well, what are other companies	4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	Over the course of your deposition you've been asked a lot of questions or we've heard a lot of answers about a couple of different concepts that I want to discuss with you this morning, concepts such as ordering limits or thresholds. Are you familiar with that concept? A. Yes. Q. And customer dispensing data or dispensed data. Do you recall talking about that? A. I do. Q. And we've heard reference to customer questionnaires, do you recall that? A. Yes.
5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	others in the companies that handled DEA compliance, and the group gets together maybe once or twice a year, and the purpose is to share learnings of DEA regulations and to get industry to do benchmarking. Q. What is benchmarking? A. Basically to see what other companies are doing in some areas so Q. Why is that important? A. It's important because it helps to helps to keep you abreast of what's new and what's developing. It also helps to know what's going on in other companies, because sometimes you might want to implement something internally and you're asked, you know, by others in your company, well, what are other companies doing? So to have that background and that	4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	Over the course of your deposition you've been asked a lot of questions or we've heard a lot of answers about a couple of different concepts that I want to discuss with you this morning, concepts such as ordering limits or thresholds. Are you familiar with that concept? A. Yes. Q. And customer dispensing data or dispensed data. Do you recall talking about that? A. I do. Q. And we've heard reference to customer questionnaires, do you recall that? A. Yes. Q. And there have been references to
5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	others in the companies that handled DEA compliance, and the group gets together maybe once or twice a year, and the purpose is to share learnings of DEA regulations and to get industry to do benchmarking. Q. What is benchmarking? A. Basically to see what other companies are doing in some areas so— Q. Why is that important? A. It's important because it helps to—helps to keep you abreast of what's new and what's developing. It also helps to know what's going on in other companies, because sometimes you might want to implement something internally and you're asked, you know, by others in your company, well, what are other companies doing? So to have that background and that knowledge, to a certain extent, obviously, there	4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	Over the course of your deposition you've been asked a lot of questions or we've heard a lot of answers about a couple of different concepts that I want to discuss with you this morning, concepts such as ordering limits or thresholds. Are you familiar with that concept? A. Yes. Q. And customer dispensing data or dispensed data. Do you recall talking about that? A. I do. Q. And we've heard reference to customer questionnaires, do you recall that? A. Yes. Q. And there have been references to electronic order monitoring or electronic order

You see that, right? A. Yes, I do. Q. In fact, that's the only section of the Controlled Substances Act that addresses
13 14 15 16 17 18 19 20 21 22	A. Yes, I do. MR. BUCHANAN: Counsel, I just wanted to note a preliminary objection. I trust this is going to be fact testimony. It doesn't sound like it to me at this point, but I just wanted to give you notice that this does not seem to be related to the witness' experience or at least my examination of the witness, so I don't feel constrained by	13 14 15 16 17 18 19 20 21 22	also provides that "In determining the public interest, the following factors shall be considered," and then it lists several, which includes maintenance of effective controls against diversion of particular controlled substances into other than legitimate medical, scientific and industrial channels. You see that, right? A. Yes, I do. Q. In fact, that's the only section

	Page 597		Page 599
1	diversion, right?	1	redirect.
2	MR. BUCHANAN: Objection to the	2	BY MS. KOSKI:
3	form, leading, and, frankly, you should	3	Q. The Act doesn't mention
4	do this with experts. This is also	4	doesn't include the phrase suspicious order,
5	beyond yesterday. This is not fact	5	right?
6	testimony, counsel. Put it in a legal	6	MR. BUCHANAN: That is leading.
7	brief, get an expert, do something, but	7	THE WITNESS: The CFR
8	this is not appropriate redirect	8	mentions suspicious order.
9	examination.	9	BY MS. KOSKI:
10	MS. KOSKI: You may object as to	10	Q. I'm talking about the statute in
11	form, if you want a standing objection	11	front of you, the Controlled Substances Act.
12	other than your speech that you just	12	MR. BUCHANAN: That's leading.
13	gave, you can have it.	13	THE WITNESS: It does not say it
14	MR. BUCHANAN: No, I think you	14	here, no.
15	should know the basis of the objection.	15	BY MS. KOSKI:
16	This is beyond this is expert.	16	Q. And you know that there is no
17	MS. KOSKI: I don't need I	17	reference in the Controlled Substances Act to a
18	don't need to know the basis of the	18	"suspicious order monitoring system," correct?
19	objection. You can object as to form.	19	MR. BUCHANAN: Objection to the
20	BY MS. KOSKI:	20	leading, counsel.
21	Q. And I'll repeat my question.	21	
22	This is the only section of the	22	THE WITNESS: Not to a system. BY MS. KOSKI:
23	Controlled Substances Act that addresses	23	
			Q. Okay. And there's no language in the section of the Controlled Substances Act
24	maintenance of effective controls against	24	the section of the Controlled Substances Act
	Page 598		Page 600
1	diversion, right?	1	that you have in front of you that says to "know
2	MR. BUCHANAN: It's leading.	2	your customer," right?
3	THE WITNESS: I think overall the	3	MR. BUCHANAN: Objection to the
4	regulations as a whole address in	4	leading, counsel.
5	different ways those controls. It does	5	THE WITNESS: No, there is not.
6	reference that specific wording here.	6	BY MS. KOSKI:
7	BY MS. KOSKI:	7	Q. And there's no section in the
8	Q. Okay. And in the Controlled	8	Controlled Substances Act in front of you that
9	the Federal Controlled Substances Act, the	9	refers to dispense data or dispensing data,
10	statute, there's no mention of suspicious order;	10	right?
11	is that fair?	11	A. There is not.
12	MR. BUCHANAN: Objection to form	12	MR. BUCHANAN: Objection to the
13	and the leading, counsel. It's a new	13	leading, counsel.
14	area. It should be direct examination.	14	BY MS. KOSKI:
15	MS. KOSKI: I'm sorry. You can	15	Q. And there's no mention of
16	object as to form, and you can preserve	16	customer questionnaire in the Act either, right?
17	your record as to form.	17	A. There is not.
18	MR. BUCHANAN: You're leading a	18	MR. BUCHANAN: Objection to the
19	witness on expert territory, counsel.	19	leading.
	It's highly improper.	20	•
20		21	You just have to give me a moment to get my objections in. Apparently,
20	MC VOCVI: It's a farm		to get my objections in. Abbarentiv.
21	MS. KOSKI: It's a form		
21 22	objection. You can object as to form.	22	there are going to be quite a few.
21			

	Page 601		Page 603
1	BY MS. KOSKI:	1	MR. BUCHANAN: Did you serve a
2	Q. And the Act does not refer to	2	notice on this?
3	internet pharmacies, right?	3	MS. KOSKI: You can object as to
4	MR. BUCHANAN: Objection to the	4	form.
5	leading.	5	MR. BUCHANAN: No, no, no, no.
6	THE WITNESS: It does not.	6	I'm objecting because you don't have the
7	BY MS. KOSKI:	7	right to do this.
8	Q. And there's no provision of the	8	If you want to do this with this
9	Act that states that distributors may not fill	9	witness, you need to serve a notice;
10	orders that are identified by them as	10	otherwise, you're limited to the
11	potentially "suspicious orders"?	11	examination that I conducted.
12	MR. BUCHANAN: Objection to the	12	MS. KOSKI: And this is
13	leading, counsel.	13	clearly visible
14	BY MS. KOSKI:	14	MR. BUCHANAN: This is not.
15	Q. There's nothing in the Act in	15	MS. KOSKI: Well, we can
16	front of you that says that?	16	MR. BUCHANAN: You're using her
17	MR. BUCHANAN: Objection to the	17	as an expert.
18	leading. Those words, is that what	18	MS. KOSKI: This is within the
19	you're saying?	19	scope.
20	MS. KOSKI: Yes.	20	MR. BUCHANAN: Tender her as a
21	MR. BUCHANAN: Leading.	21	26(a)(1) expert if you want to.
22	BY MS. KOSKI:	22	MS. KOSKI: I'm sorry, I'm not
23	Q. You can answer.	23	using her as an expert.
24	A. The CFR	24	MR. BUCHANAN: Then we'll take
	110 0111

1	foundation.	1	continuing objection as to the scope of
2	THE WITNESS: Yes, it could.	2	this examination.
3	BY MS. KOSKI:	3	BY MS. KOSKI:
4	Q. In your experience, has that	4	Q. And by law enforcement, DEA acts
5	actually happened?	5	as a sort of a police; is that fair?
6	A. Yes, it has.	6	MR. BUCHANAN: Objection to form
7	Q. And you talked a lot about that	7	and the leading.
8	yesterday in the context of your many years in	8	THE WITNESS: Yes, there are
9	the industry; is that fair?	9	agents.
10	MR. BUCHANAN: Objection,	10	BY MS. KOSKI:
11	overbroad.	11	Q. Okay. And they might investigate
12	THE WITNESS: Yes.	12	criminal activity, for example?
13	BY MS. KOSKI:	13	A. Yes.
14	Q. Mr. Buchanan asked you about	14	Q. And they may refer cases to the
15	conversations you had with DEA agents?	15	Department of Justice for prosecution if they
16	A. Yes.	16	have reason to believe there's criminal activity
17	Q. And it may come in the form of	17	happening within the industry.
18	written statements sent to one or more industry	18	Are you familiar with that?
19	participant as well, guidance from the DEA that	19	A. Yes.
20	is?	20	Q. And now based on your testimony
21	MR. BUCHANAN: Objection, form.	21	yesterday, your experience, is it fair to say,
22	THE WITNESS: Yes.	22	was more on the DEA's administrative or civil
23	BY MS. KOSKI:	23	side of their responsibilities; is that fair?
24	Q. And there's a is there a	24	A. The meetings with DEA?
			C
	Page 610		Page 612
1	difference, in your mind, between the Controlled	1	Q. Right.
2	Substances Act that we marked as Exhibit 31 and	2	A. Yeah.
3	the guidance in the form of conversations or	3	Q. Those weren't criminal in nature
4	presentations from DEA agents?	4	that you're aware of?
5	MR. BUCHANAN: Objection to form.	5	MR. BUCHANAN: Objection to form.
6	THE WITNESS: Yes, there is.	6	THE WITNESS: No, they were not.
7	BY MS. KOSKI:	7	BY MS. KOSKI:
8	Q. Now, yesterday during the course	8	Q. Okay. And over the course of
9	of your testimony, you heard reference to things	9	your testimony yesterday, I believe we saw some
10	like notice of violation or I believe there was	10	documents in reference to some meetings that
11	a reference to being summoned to the DEA and	11	would have been on behalf of DEA as the agency.
12	things like that.	12	Do you recall that?
13	Do you recall that testimony?	13	A. I'm sorry?
14	A. I do.	14	Q. For example, we saw a letter
	Q. Okay. So I'd like to talk to you	15	issued a dear registrant letter I believe that
15		16	you testified about yesterday.
15 16	a little bit about your understanding of how DEA		•
	a little bit about your understanding of how DEA interacts with members of the industry.	17	Do you recall that testimony?
16 17	interacts with members of the industry.		Do you recall that testimony? A. I do.
16 17 18	interacts with members of the industry. And so, for example, on one side	18	A. I do.
16 17 18 19	interacts with members of the industry. And so, for example, on one side of the house, DEA has some sort of, for lack of	18 19	A. I do.Q. Okay. And is it your
16 17 18 19 20	interacts with members of the industry. And so, for example, on one side of the house, DEA has some sort of, for lack of a better word, law enforcement responsibilities.	18 19 20	A. I do. Q. Okay. And is it your understanding that was a communication sent on
16 17 18 19 20 21	interacts with members of the industry. And so, for example, on one side of the house, DEA has some sort of, for lack of a better word, law enforcement responsibilities. Are you familiar with take?	18 19 20 21	A. I do. Q. Okay. And is it your understanding that was a communication sent on behalf of the agency itself?
16 17 18 19 20 21	interacts with members of the industry. And so, for example, on one side of the house, DEA has some sort of, for lack of a better word, law enforcement responsibilities. 1	correct me if I'm wrong with this, that you've	1	language from the DEA?
2	engaged at a more sort of one-on-one level with	2	MR. BUCHANAN: Same objection.
3	representatives of the agency in the course of	3	THE WITNESS: Vaguely, yes.
4 .	your business, right?	4	BY MS. KOSKI:
5	MR. BUCHANAN: Objection to the	5	Q. All right. So with all this sort
6	leading.	6	of in mind, I'd like to refer you to Exhibit 2,
7	THE WITNESS: Yes.	7	which I believe you have in front of you and
8	BY MS. KOSKI:	8	which counsel marked yesterday. And just for
9	Q. And on the administrative power	9	purposes of folks in the room, Exhibit 2 was an
10	side, which you testified being more familiar	10	e-mail cover with a copy of Ms. Hernandez, then
11	with, you're aware that DEA can take different	11	Hernandez, sorry, resume and then also a summary
12	actions against industry participants; is that	12	of suspicious order monitoring experience.
13		13	Do you recall this testimony
	right?	14	about this document?
14	MR. BUCHANAN: Objection to the		
15	form.	15	A. I do.
16	THE WITNESS: Yes.	16	Q. Okay. And as I understand it,
17	BY MS. KOSKI:	17	you prepared Exhibit 2, I believe you testified
18	Q. And you reference in some of your	18	yesterday, in connection with applying for a
19	documents you referred to violations, I think	19	job; is that right?
20	you talked earlier about fines, possible	20	A. Yes.
21	administrative fines, right?	21	Q. Okay. And the date at least on
22	A. Yes.	22	the cover e-mail is October 2014.
23	Q. Okay. And as part of that,	23	Do you see that?
24	you're familiar that DEA can get a search	24	A. Yes.
	Page 614		Page 616
1			
	warrant; is that right?	1	Q. Is that around or about the time
2	warrant; is that right? A. Yes.	1 2	Q. Is that around or about the time that you prepared the summary of suspicious
2	A. Yes.	2	that you prepared the summary of suspicious
2 3	A. Yes.Q. And they can compel a company to	2 3	that you prepared the summary of suspicious order monitoring?
2 3 4	A. Yes. Q. And they can compel a company to send individuals to appear before DEA and to	2 3 4	that you prepared the summary of suspicious order monitoring? A. Yes, it is.
2 3 4 5	A. Yes. Q. And they can compel a company to send individuals to appear before DEA and to testify under oath.	2 3 4 5	that you prepared the summary of suspicious order monitoring? A. Yes, it is. Q. Okay. And so when you prepared
2 3 4 5 6	A. Yes. Q. And they can compel a company to send individuals to appear before DEA and to testify under oath. And that's reflected in Exhibit 1, your resume, if you need to look at it. A. Yes. Q. And I believe on your resume it indicates you worked at Watson from 2002 to

	Page 617		Page 619
1	Q. And so this document, Exhibit 2,	1	Q. Okay. And do you recall that the
2	was prepared five years after you left Watson	2	meeting was in the summer of 2007? Does that
3	Laboratories; is that right?	3	sound about right?
4	A. Yes, that's correct.	4	A. I don't recall when the meeting
5	Q. And I think you testified	5	was.
6	yesterday that you draft in the course of	6	Q. Fair to say that it was sometime
7	drafting this document, you were trying to make	7	during your employment at Watson?
8	yourself look good to a potential employer; is	8	A. Yes.
9	that fair?	9	Q. And you wrote here that "Anda was
10	MR. BUCHANAN: Objection to form.	10	summoned to DEA."
11	THE WITNESS: That was what was	11	Do you see that, and you spent
12		12	
13	requested of me. BY MS. KOSKI:	13	some time on that with counsel yesterday? A. Yes.
14	Q. And that's what you said	14	Q. Okay. And we just went through
15	yesterday, right?	15	some of the ways in which the DEA exercises its
16	MR. BUCHANAN: Objection to form.	16	criminal and administrative powers, right? Do
17	THE WITNESS: Yes.	17	you recall that; we just went through that?
18	BY MS. KOSKI:	18	A. I do.
19	Q. All right. And I want to just	19	Q. And you're familiar with that
20	look at some of the and I'm focused again on	20	from your experience, right?
21	the Watson section and some of the things that	21	A. Yes.
22	you wrote.	22	Q. And you'll agree with me that DEA
23	And you wrote that while you were	23	didn't issue any kind of a subpoena or some
24	employed by Watson, you did not support Anda	24	legal process to bring Anda in to appear, right?

1	MS. LEIBELL: Objection.	1	Q. Also incorporated at some point
2	BY MR. BUCHANAN:	2	in time after 2013, consideration of IMS data,
3	Q. Did they refresh your	3	correct?
4	recollection?	4	A. I don't know the exact date as to
5	A. Yes.	5	when it was implemented. That was before I
6	Q. What were they?	6	don't know exact date, but 2013, yes.
7	A. The Mike Mapes' phone call,	7	Q. Yeah, we looked at documents in
8	documentation of the first phone call.	8	early 2013 where you said we need to start
9	Q. Okay. So you worked through that	9	incorporating IMS data.
10	document?	10	Do you recall that?
11	A. The first one, yes.	11	A. Yes.
12	Q. Before you came in today?	12	Q. So you hadn't been doing it prior
13	A. Yes.	13	to 2013, correct?
14	Q. Did you do that again before you	14	MS. VANNI: Object to form.
15	testified this morning?	15	THE WITNESS: We had IMS data.
16	A. No.	16	This was different data.
17	Q. Okay. Any other documents that	17	BY MR. BUCHANAN:
18	refreshed your recollection?	18	Q. Yeah, I'm referring to IMS data
19	A. No.	19	so that you could evaluate your customer
20	Q. Okay. I'd like now to start, and	20	thresholds or customer levels to see whether
21	we'll get to the Anda portion of this. I'd like	21	they were buying above or below national
22	to start with your testimony relating to your	22	averages for classes of trade?
23	time at Qualitest.	23	A. Yes, correct.
24	You joined in 2011, you left in	24	Q. You were not doing that prior to
	Page 646		Page 648
1	2014, right?	1	2013, correct?
2	A. Yes.	2	A. No.
3	Q. You were asked some general	3	Q. I'm correct?
4	questions, I think open-ended questions about	4	A. Yes, you are correct.
5	describe your SOM process.	5	Q. Thank you. We talked yesterday
6	Do you recall those questions on	6	about the incorporation of chargeback data into
7	examination by Endo counsel?	7	the process and looked at some correspondence
8	A. Yes.	8	where Mr. Brantley was using chargeback data in
^	Q. Okay. And you gave a list of	I 0	
9		9	connection with his correspondence with your
10	things that were done. You would look at order	10	direct customers to talk about issues with
10 11	things that were done. You would look at order of interests. You would look at the customer's	10 11	direct customers to talk about issues with customers of customers.
10 11 12	things that were done. You would look at order of interests. You would look at the customer's specific history, look at the customer	10 11 12	direct customers to talk about issues with customers of customers. Do you recall that?

1	shipped material?	1	with the witness.
2	A. Not all. Different things were	2	MS. VANNI: I appreciate that
3	in different systems.	3	because it is marked highly
4	Q. If you wanted to get the quantity	4	confidential.
5	of sales to customers could you get that, ma'am?	5	MR. BUCHANAN: It's from the
6	A. Depends on what is called sales.	6	witness' time at the company, so I
7	So are if we're referring to direct shipment	7	believe it's an appropriate use, but I'm
8	to customer, we could get some information, yes,	8	being sensitive to whatever concerns you
9	more information after SAP was implemented, but	9	may have on its distribution. You can
10	not at first.	10	address that with your co-counsel
11	Q. I assume the company kept track	11	co-defense counsel at a later point in
12	of the drugs that it was selling to its	12	time. I am not burning it into the
13	customers?	13	video feed.
14	A. Yes.	14	BY MR. BUCHANAN:
15	Q. Okay. Company had systems to do	15	Q. Looking through it, ma'am, could
16	that?	16	you please, what I've identified as Exhibit
17	A. Systems and electronic some	17	was that 38 35, could you tell us, please,
18	electronic, some manual.	18	the shipments for hydrocodone products in 2011?
19		19	* * * * * * * * * * * * * * * * * * *
20	Q. And we've had computers for a long time, right?	20	3,
			very small.
21	A. Yes, we have.	21	Q. I'll give you some time to see if
22	Q. Okay. So as of matter of	22	you can sum that up or give us a number.
23	processing large volumes of orders, the company	23	A. I don't see a total. I see line
24	had a computer system, correct?	24	items.
			Page 660
1	A. For some things, yes.	1	Q. How about for oxycodone shipments
2	Q. For keeping track of shipments to	2	in 2011, ma'am?
3	customers, correct?	3	A. I don't see totals on here. I
4	A. Parts of that data, yes.	4	just see line items, individual line items.
5	Q. And keeping track of orders to	5	Q. Would my question be easier to
6	customers, correct?	6	answer if I said orders?
7		7	
		1	
8 9		8 9	Q. How about orders of hydrocodone, orders of oxycodone, the quantities that you
	ma'am, just look through this and please tell us		
10	the volume of hydrocodone APAP product that was	10	received in 2011?
11	shipped in your first year, 2011?	11	A. No. I mean, this is these are
12	MR. BUCHANAN: I'm sorry, please	12	individual customer orders, by the looks of it.
13	take that document down.	13	I don't know when they occurred, since I can't
14	MS. VANNI: Counsel, if you	14	see the dates.
15	wouldn't mind, could you read the Bates	15	Q. I just need the totals, ma'am.
16	number in. I saw it and now it sort of	16	A. I can't. There's no I don't
17	disappeared, and I don't know where it	17	know where the totals are in here.
	went.	18	Q. There was some question about the
18	MD DIJCHANIANI, Van broom och at I	19	providence of the exhibit that we prepared and
18 19	MR. BUCHANAN: You know what, I		
	gave you a copy. I'll give you another	20	showed to you and you had questions about where
19		20 21	showed to you and you had questions about where things came from. I provided that to you.
19 20	gave you a copy. I'll give you another		· · · · · · · · · · · · · · · · · · ·
19 20 21	gave you a copy. I'll give you another one to take home. My paralegal does	21	things came from. I provided that to you.

        various units and strengths.
                                                              8
                                                                         document, that's how it was
                                                              9
 9
                 Do you see that?
                                                                         characterized.
10
                Yes.
                                                             10
                                                                     BY MR. BUCHANAN:
            A.
11
            O.
                 Okay. And is this generally the
                                                             11
                                                                         O. That's right.
                                                             12
        process, people throughout the organization with
                                                                             And what you noted here is you
12
13
        various needs, whether it was research, whether
                                                             13
                                                                     were, I guess, seeking input from your
                                                             14
                                                                     colleague, Mr. Patel, was not sure asking for
14
        it was testing, whether it was sales for
                                                                     this, and "this" would be a quota increase,
15
        production, would come to you and give you
                                                             15
        numbers to apply to quota or to seek quota from
                                                             16
16
                                                                     right?
17
        DEA if you needed more?
                                                             17
                                                                         A.
                                                                              Yes.
18
                 MS. VANNI: Objection to form.

                                                               1
 1
                 MS. VANNI: Just preserving my
                                                                                Is this the same letter ma'am
 2
                                                               2
            objection.
                                                                      that we saw in the PowerPoint yesterday that you
 3
                 MR. BUCHANAN: Fair enough.
                                                               3
                                                                      had referenced from your time at the company?
 4
        BY MR. BUCHANAN:
                                                               4
                                                                          A. I believe it's the same letter.
 5
            Q. Let's look at -- well, withdrawn.
                                                               5
                                                                                And so this is December 27, 2007,
                                                                          Q.
 6
                                                               6
                 In examination I think both with
                                                                      several years before you joined the company,
 7
        Endo counsel and Anda counsel, you were asked
                                                               7
                                                                      correct?
 8
        about compliance with the reg, whether acts were
                                                               8
                                                                          A.
                                                                                Yes.
 9
                                                               9
        in compliance or not with the reg regarding
                                                                          Q.
                                                                                And you acknowledge being aware
10
        suspicious orders, and I think you were even
                                                             10
                                                                      or at least having received it during your time
11
        shown the statute.
                                                             11
                                                                      at a prior employer, correct?
12
                                                             12
                 Do you recall that?
                                                                           A. I had seen it, yes.
                                                             13
13
                                                                                Okay. And this went to
             A.
                  Yes.
14
                                                             14
                  Okay. We looked yesterday, just
                                                                      manufacturers and distributors, right?
15
        in passing, at a letter that you received from
                                                             15
                                                                          A.
                                                                                Yes.
        DEA in 2007, you, obviously at a former company
                                                             16
16
                                                                          O.
                                                                                "The purpose of this letter is to
17
        at that point in time, from Mr. Rannazzisi.
                                                             17
                                                                      reiterate the responsibilities of controlled
18
                                                             18
                 Do you recall that?
                                                                      substance manufacturers and distributors to
19
                                                             19
                                                                      inform DEA of suspicious orders in accordance
            A.
                  I do.
20
                                                             20
                  And you remember receiving that
                                                                      with 21 CFR 1301.74(b)."
            Q.
21
       letter?
                                                             21
                                                                               Do you see that?
22
            A.
                  I remember seeing the letter,
                                                             22
                                                                          A.
                                                                               Yes I do.
23
                                                             23
                                                                               I'd like to focus on the next
        yes.
                                                             24
24
                  Okay.
                                                                      paragraph. It says, "In addition to, and not in

                 MS. VANNI: I just want to note
                                                             18
                                                                      BY MR. BUCHANAN:
19
            my objection to use of this document as
                                                             19
                                                                          Q. Okay. Well, you said, I think,
20
             it predates her employment with the
                                                             20
                                                                      in the examination with defense counsel that you
21
             company, and it's an Endo document, so
                                                             21
                                                                      took your communications from DEA as guidance,
22
             it doesn't even apply to her employment
                                                             22
                                                                      correct?
23
                                                             23
                                                                          A. I did.
             since she wasn't an Endo employee.
24
                                                             24
                                                                          Q. Oral communications as guidance,
        BY MR. BUCHANAN:
```

	Page 685		Page 687
1	correct?	1	MS. VANNI: Object to form.
2	A. Yes.	2	MR. BUCHANAN: Ma'am, move to
3	Q. I think you were even told that	3	strike the nonresponsive portion. I'm
4	DEA presentations were guidance as to	4	not asking whether and you were. You
5	compliance, correct?	5	keep inserting that at the end. I'm
6	MS. VANNI: Object to form.	6	supposing that maybe that's guidance.
7	THE WITNESS: All instructions	7	Let's stay with my questions, okay.
8	from DEA are have meaning to me, and	8	MS. VANNI: Object to the
9	I take them seriously, yes.	9	colloquy, and I just want to note that
10	BY MR. BUCHANAN:	10	you are at 35 minutes for Endo.
11	Q. Well, in fact, they told you when	11	MR. BUCHANAN: I'm at 35 minutes
12	you sat down with them and we looked at it	12	of an hour and 20 minutes.
13	yesterday in the minutes of the meeting with the	13	BY MR. BUCHANAN:
14	DEA in 2013 that all that information I just	14	Q. In addition to, you understand to
15	discussed, presentations, letters, statements	15	mean in addition to the statutory requirements,
16	and communications with the DEA, that was all	16	correct?
17	guidance for you to incorporate as part of your	17	MS. VANNI: Counsel, I'm sorry.
18	compliance program, correct?	18	Just for I'm sorry. I didn't mean to
			interrupt you. Just for clarification,
19	MS. VANNI: Object to form.	19	* *
20	THE WITNESS: They were	20	is it your position that you're entitled
21	suggestions for things that industry	21	to use the full direct, not minute for
22	could use, yes.	22	minute as used by the defendants on
23	BY MR. BUCHANAN:	23	direct?
24	Q. We're circle back on the minutes	24	MR. BUCHANAN: I am entitled to

This Rannazzisi letter that was received in 2007 by registrants, and we saw it copied in your PowerPoint, reflects that the requirements under the CFR are in addition to and not in lieu of those in the statute, correct? A. That's what it says.
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	in a moment. What this letter is and so this would be guidance to you, this letter, correct? A. Yes. Q. As to what the DEA was expecting of you as a registrant, correct? A. Yes. Q. Okay. And so it says "In addition to, and not in lieu of." Do you have an understanding what that means? A. I do. Q. And what does it mean? A. It means instead of versus, yeah, this end instead you can't substitute one for the other. Q. That's right. I mean, you have an obligation, obviously, to do suspicious order monitoring, and you have an obligation to maintain effective controls against diversion, correct?	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	use minute for minute of the redirect examination conducted by you or your direct examination used by you. MS. VANNI: That would be 35 minutes for Endo. MR. BUCHANAN: No, I mean "you" as defendants. MS. VANNI: Okay. We object to that position, but so just note our objection. MR. BUCHANAN: That hasn't been my understanding, but I've been doing issues that concern Anda as part of this. I'm not sequencing specifically between Anda and Endo. BY MR. BUCHANAN: Q. This Rannazzisi letter that was received in 2007 by registrants, and we saw it copied in your PowerPoint, reflects that the requirements under the CFR are in addition to and not in lieu of those in the statute, correct?

Page 689 Page 691 1 1 And let's look at that with Yes. 2 2 regard to -- so a manufacturer or a distributor Q. Okay. "The determination of 3 has an obligation to maintain effective controls 3 whether an order is suspicious depends not only against diversion, right? 4 on the ordering patterns of the particular 4 5 5 customer, but also on the patterns of the Yes, as identified in the 6 registrant's customer base and the patterns 6 regulation. 7 Statutory -- I'm sorry. As 7 throughout the relevant segment of the regulated Q. 8 8 identified in the statute? industry." 9 9 Did I read that correctly? A. Yes. 10 10 Yes. O. Okay. Has an obligation to A. 11 maintain effective controls against diversion, 11 Okay. So what this is saying is, that's the statutory obligation, correct? 12 one, your system has got to look at patterns, 12 13 13 Yes. A. right? 14 14 Q. And Mr. Rannazzisi is saying you MS. VANNI: Object to form. 15 have a separate obligation with regard to the 15 BY MR. BUCHANAN: CFR, the regulation, with regard to suspicious 16 16 Q. Isn't that what he wrote? 17 order monitoring and reporting, correct? It says if you're looking at 17 18 MS. KOSKI: Object to form. 18 patterns, the size of the order alone is 19 MS. VANNI: Object to form. 19 different than -- basically that they're not --20 20 you can't base a decision on one versus the THE WITNESS: Yes. 21 BY MR. BUCHANAN: 21 other 22 Q. Okay. And so in this letter -- I 22 Q. Let's look at what's written by 23 mean, you'd agree this is important guidance 23 the DEA to registrants. 24 "The determination of whether an 24 from DEA, correct? Page 690 Page 692 order is suspicious depends not only on the 1 MS. VANNI: Object to form. 1 THE WITNESS: It's guidance. ordering patterns of the particular customer, 2 2 3 It's not anything that wasn't well known 3 but also on the patterns of the registrant's customer base and the patterns throughout the 4 at the time. 4 relevant segment of the regulated industry." 5 5 BY MR. BUCHANAN: Did I read that correctly? 6 Q. Okay. Well, let's see what was, 6 7 7 A. You read it correctly. again, then well known at the time before you 8 8 Q. Okay. And as of the time you got got this letter. 9 to Qualitest, was the Qualitest suspicious order 9 "The regulation specifically monitoring system looking at class of trade as 10 states that suspicious orders include orders of 10 unusual size, orders deviating from a normal separate thresholds? 11 11 12 pattern and orders of an unusual frequency." 12 A. Again, I can't comment on what 13 13 Would you agree that's what he the system was --14 wrote? 14 MS. VANNI: Objection. 15 THE WITNESS: -- before I got 15 That's what it says, yes. Can you go to third paragraph, 16 16 there. please. It continue, "The size of order alone, 17 17 MS. VANNI: Beyond the scope. 18 whether or not it deviates from a normal 18 BY MR. BUCHANAN: 19 pattern, is enough to trigger the registrant's 19 Q. At the time you got there. At the time you got there, ma'am, was it looking at responsibility to report the order as 20 20 21 suspicious." 21 relevant classes of trade? 22 Do you see that? It's the --22 MS. VANNI: Objection, asked and answered. 23 sorry, fourth paragraph. 23 24 Do you see that, ma'am? 24 THE WITNESS: I don't know what

2	preparation?	2	MS. BANNI: Object to form.
3	A. I was involved in I didn't	3	THE WITNESS: These were things
4 .	I didn't draft the wording for it, but I was	4	that we had been told by DEA were
5	I reviewed it before, yes.	5	issues, yes.
6	Q. I think you told us a few minutes	6	BY MR. BUCHANAN:
7	ago you reviewed and endorsed it, right?	7	Q. And we see people on the screen,
8	A. Yes.	8	and these are people that, could we agree, are
9	Q. Okay. Content was accurate when	9	everyday folks?
10	written?	10	MS. BANNI: Object to form.
11	MS. BANNI: Object to form.	11	MS. KOSKI: Object to form.
12	THE WITNESS: I don't know if you	12	THE WITNESS: I guess, yeah.
13	say accurate. It was it sounded	13	MR. BUCHANAN: Okay. Let's play
14	it sounded right when I reviewed it.	14	from 4:56.
15	BY MR. BUCHANAN:	15	(Video played as follows:
16	Q. Right, I mean, you were certainly	16	"For every unintentional overdose
17	trying to make sure that it was accurate when	17	death from opioids in 2010, there were
18	you were putting it out and distributing it on a	18	733 nonmedical users. Emergency room
19	website for pharmacies around the country,	19	visits resulting from pharmaceutical
20	right?	20	abuse with no other type of drug or
21	MS. BANNI: Object to form.	21	alcohol involved almost doubled between
22	THE WITNESS: We did not put it	22	2004 and 2010.")
23	out and distribute it on a website.	23	MR. BUCHANAN: Press pause,
24	That was done by NABP.	24	please.
	That was done by 14 151.		F
	Page 718		Page 720
1	BY MR. BUCHANAN:	1	BY MR. BUCHANAN:
2	Q. Well, the anti-diversion working	2	Q. Big problem, can we agree?
3	group issued a press release, right?	3	MS. BANNI: Object to form.
4	A. I believe Mallinckrodt issued a	4	THE WITNESS: Big problem, there
5	press release and noted everybody on there, yes.	5	is an addiction problem in the United
6	Q. Right. And you endorsed its	6	States, yes.
7	content when it was released, correct?	7	BY MR. BUCHANAN:
8	MS. BANNI: Object to form.	8	Q. For every opioid death in 2010,
9	THE WITNESS: Yes.	9	there were 733 nonmedical users of those drugs,
10	BY MR. BUCHANAN:	10	right?
11	Q. Even sent it around to your peers	11	A. That's what this the data
12	in the firms to show it to them, right?	12	showed. I'm not sure where the data came from,
13	A. Right. It was something that I	13	I don't recall, but it was probably from a
14	was proud that we had we had done.	14	regulatory agency.
15	Q. Okay. Let's go to 4:56, and	15	Q. Data you endorsed as accurate at
16	we're kind of scrubbing through the images.	16	that point in time personally, correct?
17	Does that refresh your recollection in terms of	17	MS. BANNI: Object to form.
18	its content?	18	THE WITNESS: Yes.
19	A. Yes.	19	BY MR. BUCHANAN:
20	Q. People walking up to a counter,	20	Q. Data you endorsed as accurate on
21	red flags, cash customers, people walking in in	21	behalf of the anti-diversion working group,
22	groups?	22	correct?
			· ·
23	A. Mm-hmm. Q. People going from one doctor to	23 24	MS. BANNI: Object to form. THE WITNESS: Yes.

1 2 3 4 5	BY MR. BUCHANAN: Q. We've seen stats on opioid	1 2	MS. VANNI: Object to form. THE WITNESS: It's one of the
3 4 5	· · · · · · · · · · · · · · · · · · ·	2	THE WITNESS. It's one of the
4 . 5		_	THE WITNESS. It's one of the
5	deaths. You're familiar there's stats out	3	things that's outlined on DEA's website
	there, right?	4	and why they do their national take back
	A. Yes.	5	days now, yes.
6	Q. As of this point in time, you had	6	BY MR. BUCHANAN:
7	the knowledge that for every death there were	7	Q. And the manufacturers who you
8	733 people who were using opioids for nonmedical	8	worked with in the anti-diversion working group
9	use, right?	9	endorse that as a true statement of the state of
10	MS. BANNI: Objection, beyond the	10	affairs as of 2014 when this video was prepared,
11	scope.	11	correct?
12	THE WITNESS: It's all stats that	12	MS. VANNI: Objection.
13	are out there. We took the stats as	13	THE WITNESS: Yes, there's always
14	they were. I don't know what the	14	independent thought and people who will
15	details were before into them and how	15	abuse and take things in ways they
16	they were obtained, but we assumed they	16	shouldn't.
17	were accurate based on the source.	17	BY MR. BUCHANAN:
18	BY MR. BUCHANAN:	18	Q. America's drug problem isn't on
19	Q. You certainly were trying to	19	the streets, it's in our medicine cabinets,
20	convey accurate information, correct?	20	right?
21	A. Yes, we were.	21	A. In that particular case, yes,
22	Q. And, to the best of your	22	when we were directing to pharmacies, yes, that
23	knowledge, ma'am, you did so, correct?	23	is the case.
24	A. Yes.	24	MR. BUCHANAN: Let's go to nine
	Page 722		Page 724
1	Q. Okay. Let's go forward now to	1	minutes and three seconds and play that
2	8:25. And we see kind of interspersed with	2	portion.
3	facts these scenarios with individuals	3	(Video played as follows:
4	approaching a pharmacy counter, fair?	4	"More Americans abuse
5	A. Yes.	5	prescription drugs than the number of
6	Q. Okay.	6	cocaine, hallucinogen, methamphetamine
7	MR. BUCHANAN: Could you play	7	and heroin abusers combined. The
8	8:25.	8	pharmacy")
9	(Video played as follows:	9	MR. BUCHANAN: Let's pause there.
10	"America's biggest drug problem	10	BY MR. BUCHANAN:
11	isn't on the streets, it's in our	11	Q. More Americans abuse prescription
12	medicine cabinets. Seventy percent of	12	drugs than cocaine, hallucinogens,
13	Americans are taking at least one	13	methamphetamine and heroin abusers combined.
14	prescription drug and more than 50% are	14	Did you hear that, ma'am?
15	on at least two. Among young people who	15	A. I did.
16	abuse prescription medications, 70% get	16	Q. To your knowledge in 2014, that
17	them from family or friends.")	17	was a true statement you were making through the
18	MR. BUCHANAN: Let's pause.	18	anti-diversion working group for this video,
19	BY MR. BUCHANAN:	19	correct?
20	Q. America's drug problem isn't on	20	A. Those were statements that have
21	the streets, it's in our medicine cabinet.	21	would come from DEA or CDC or a regulator, so I
Z. I	Did you hear that?	22	would assume, yes.
			, , , , , , , , , , , , ,
22 23	A. I did.	23	Q. You certainly wouldn't endorse

	Page 725		Page 727
1	true, right?	1	10:31 to 10:46.
2	MS. VANNI: Object to form.	2	(Video played as followed:
3	THE WITNESS: Yes.	3	"One in four teens reports having
4	BY MR. BUCHANAN:	4	misused a prescription drug at least
5	Q. To the best of your knowledge,	5	once. That translates to 5 million
6	ma'am, as a person who was on this committee to	6	teenagers, a 33% increase over the past
7	review and endorse this video, those were true,	7	five years.")
8	right?	8	MR. BUCHANAN: Let's pause.
9	A. Those	9	BY MR. BUCHANAN:
10	MS. VANNI: Object to form.	10	Q. 33% increase in teen abuse of
11	THE WITNESS: Those were publicly	11	prescription drugs between 2009 and 2014.
12	available.	12	You saw that reference, ma'am?
13	BY MR. BUCHANAN:	13	A. Yes, I did.
14		14	Q. During the same period of time
15	•	15	that Mr after Mr. Rannazzisi and the DEA had
	they were true?	16	
16	A. I wasn't in a position to make a		sent you a notice saying everybody has got to
17	determination if they were true. They were	17	maintain effective controls against diversion,
18	publicly available. I didn't have access to the	18	right?
19	data that was used to compile that information,	19	A. Yes.
20	so I can't say they were 100% true. I can only	20	Q. And where we've gotten to by 2014
21	make a assumption based on the viability of the	21	is that America's drug problem isn't on the
22	sources that they came from.	22	street, it's in medicine cabinets, right?
23	Q. America's drug problem isn't on	23	MS. VANNI: Object to form.
24	the streets, it's in our medicine cabinets,	24	THE WITNESS: That was the
	Page 726		Page 728
1	right?	1	those were the statistics that were in
2	A. It's in a lot of places, but,	2	the video, yes.
3	yes, that's one of them.	3	MR. BUCHANAN: Okay. Well, let's
4	Q. What you put in the video is that	4	go now to towards the end, 11:41.
5	it wasn't on the streets, it was in people's	5	BY MR. BUCHANAN:
6	medicine cabinets, correct, ma'am?	6	Q. Okay. And this video was going
7	MS. VANNI: Object to form.	7	out to pharmacies, right?
8	THE WITNESS: Because that's what	8	A. That was the focus.
9	the video was focused on.	9	MR. BUCHANAN: Okay. Could you
10	BY MR. BUCHANAN:	10	roll it from here, please.
11	Q. Is that what you put on the	11	(Video played as follows:
12	video? Not because, not why	12	"Who is responsible? Yes, it's
13	MS. VANNI: Let her answer her	13	the culture. Yes, it's the doctor or
14	question her answer.	14	prescriber. Yes, it's law enforcement.
15	BY MR. BUCHANAN:	15	Yes, it's the state boards. But you,
16	Q. Not because, not why. Stay with	16	the pharmacist, have a corresponding
17	my questions.	17	responsibility. You play a critical
	What you put in the video, ma'am,	18	role.")
1 2	was that America's drug problem isn't on the	19	MR. BUCHANAN: Pause, please.

	Page 733		Page 735
1	this?	1	Q. Do you recall that question in
2	A. I did.	2	the video?
3	Q. We have your letter, ma'am, from	3	A. In this particular video, yes.
4	October 18, 2013.	4	Q. Who is responsible?
5	Do you recall that?	5	A. Yes.
6	A. I recall the date. I can't	6	Q. Okay. We could agree that the
7	recall what the letter said, but yes.	7	Cardinal Healths, the Actavis, the McKessons,
8	Q. That's where you told all of your	8	the Mallinckrodts, the AmerisourceBergens and
9	customers that we all have this responsibility,	9	the Qualitests, who sponsored the video, are not
10	right?	10	listed in any way as having responsibility for
11	A. Yes.	11	this, correct?
12	MS. VANNI: Object to form.	12	MS. VANNI: Object to form.
13	BY MR. BUCHANAN:	13	THE WITNESS: We have a
14	Q. We all have this responsibility,	14	responsibility to comply with the
15	manufacturers, correct?	15	regulation.
16	A. Yes.	16	BY MR. BUCHANAN:
17	Q. Distributors, correct?	17	Q. Do you have my question, ma'am.
18	MS. VANNI: Objection.	18	When the question was asked in the video
19	THE WITNESS: Yes.	19	A. They are not listed in the video.
20	MS. VANNI: Objection.	20	Q. That's right. But yet you knew,
21	THE WITNESS: And I consider	21	you knew when you sent your letter in February
22	putting that out there to be going above	22	of 2013 that you had a responsibility as
23	and beyond, and that's, again, something	23	Qualitest, correct?
24	that I have always wanted to do.	24	MS. VANNI: Object to form.
	Page 734		Page 736
1	MR. BUCHANAN: Could we go to the	1	THE WITNESS: Of course. That's
2	next slide, please, let's finish it.	2	why we did comply.
3	(Video played as follows:	3	BY MR. BUCHANAN:
4	"When you are in that moment of	4	Q. Distributors had that
5	truth, will you recognize and act upon	5	responsibility, correct?
6	the red flag?")	6	A. Yes.
7	MR. BUCHANAN: Let's pause.	7	Q. And if anyone broke that supply
8	BY MR. BUCHANAN:	8	that closed system, heart-wrenching
9	Q. So we could agree that in terms	9	consequences could occur, right?
10	of who has the responsibility, manufacturers and	10	A. That's what my letter said, yes.
11	distributors and others that had no suspicious	11	Q. Okay. Now, let's focus on a few
12	order monitoring programs or efforts to prevent	12	other points you did in examination with
13	diversion were not listed, correct?	13	counsel.
14	MS. VANNI: Object to form.	14	MR. BUCHANAN: What do we have
15	BY MR. BUCHANAN:	15	time-wise?
16	Q. We can agree on that?	16	THE VIDEOGRAPHER: Seven minutes.
17	A. We can agree that everyone has a	17	We're at 1:13. Do you want me to go
18	responsibility to abide by the regulations.	18	off?
19	Q. Okay. We can agree that when	19	MR. BUCHANAN: No, no, we're
	those that had the responsibility for this	20	fine.
20		21	BY MR. BUCHANAN:
21	situation, who is responsible was the question.		O T / // 11 1
21 22	Do you recall that?	22	Q. Just want to circle back on some
21			Q. Just want to circle back on some of the questions about Anda, specifically this interaction you had with DEA in the summer of

	Page 737		Page 739
1	2007.	1	Did I read that correctly?
2	Do you recall that, ma'am?	2	A. He did indicate that.
3	A. Yes.	3	Q. About Anda, that he would like to
4	Q. Okay. I think I think defense	4	discuss, okay.
5	counsel characterized it as an invitation?	5	You understood he had concerns?
6	A. Yes.	6	A. That's yes.
7	Q. You were invited?	7	Q. Okay. You started to read I
8	A. Yes.	8	think the first sentence in the bottom of page 1
9	Q. Didn't they say they wanted to	9	of Exhibit 32, Bates stamp 959. "Mr. Mapes then
10	talk to you about serious concerns?	10	went on to say that since then, they have seen a
11	MS. KOSKI: Object to form.	11	steady increase in Anda's sales of hydrocodone,
12	THE WITNESS: DEA did, yes.	12	to the point of these sales being extremely
13	BY MR. BUCHANAN:	13	questionable."
14	Q. They told you they wanted to talk	14	Do you recall that?
15	to you about serious concerns because certainly	15	A. These were the yes, it's a
16	about certain orders, but also your suspicious	16	summary of what he was saying during the call.
17	order monitoring system, correct?	17	Q. And he said that many of the
18	MS. KOSKI: Object to form.	18	retail pharmacies that you were selling to were
19	THE WITNESS: Anda's suspicious	19	feeding the drugs to illegal internet
20	order monitoring system.	20	pharmacies, right?
21	BY MR. BUCHANAN:	21	MS. KOSKI: Object to form.
22	Q. Yeah, the year was a little	22	THE WITNESS: That's what he
23	confusing there, but Anda's suspicious order	23	said, yes.
24		24	BY MR. BUCHANAN:
24	monitoring system, correct?	24	DI WR. DUCHANAN.
	Page 738		Page 740
-1			
1	A. Yes.	1	Q. He then said he had questions
1 2	A. Yes.Q. And you parsed the language	1 2	Q. He then said he had questions about the effectiveness of Anda's suspicious
			about the effectiveness of Anda's suspicious
2	Q. And you parsed the language	2	
2	Q. And you parsed the language closely in some areas with counsel. I'd like you now to look at Exhibit 32 that was marked in	2 3	about the effectiveness of Anda's suspicious order monitoring system, correct? A. He asked about the effectiveness,
2 3 4	Q. And you parsed the language closely in some areas with counsel. I'd like you now to look at Exhibit 32 that was marked in examination. I don't have the ability to pull	2 3 4	about the effectiveness of Anda's suspicious order monitoring system, correct?
2 3 4 5	Q. And you parsed the language closely in some areas with counsel. I'd like you now to look at Exhibit 32 that was marked in examination. I don't have the ability to pull it up on the screen for you, ma'am. It's the	2 3 4 5	about the effectiveness of Anda's suspicious order monitoring system, correct? A. He asked about the effectiveness, which I couldn't really comment on, having not worked there.
2 3 4 5 6 7	Q. And you parsed the language closely in some areas with counsel. I'd like you now to look at Exhibit 32 that was marked in examination. I don't have the ability to pull it up on the screen for you, ma'am. It's the e-mail exchange on July 16th, 2007 between	2 3 4 5 6 7	about the effectiveness of Anda's suspicious order monitoring system, correct? A. He asked about the effectiveness, which I couldn't really comment on, having not worked there. Q. Yeah, and that was interesting.
2 3 4 5 6 7 8	Q. And you parsed the language closely in some areas with counsel. I'd like you now to look at Exhibit 32 that was marked in examination. I don't have the ability to pull it up on the screen for you, ma'am. It's the e-mail exchange on July 16th, 2007 between yourself and Diane Ms. Miranda?	2 3 4 5 6 7 8	about the effectiveness of Anda's suspicious order monitoring system, correct? A. He asked about the effectiveness, which I couldn't really comment on, having not worked there. Q. Yeah, and that was interesting. I think you were asked a question by defense
2 3 4 5 6 7 8 9	Q. And you parsed the language closely in some areas with counsel. I'd like you now to look at Exhibit 32 that was marked in examination. I don't have the ability to pull it up on the screen for you, ma'am. It's the e-mail exchange on July 16th, 2007 between yourself and Diane Ms. Miranda? A. Yes.	2 3 4 5 6 7 8	about the effectiveness of Anda's suspicious order monitoring system, correct? A. He asked about the effectiveness, which I couldn't really comment on, having not worked there. Q. Yeah, and that was interesting. I think you were asked a question by defense counsel about did Anda have its own DEA
2 3 4 5 6 7 8 9	Q. And you parsed the language closely in some areas with counsel. I'd like you now to look at Exhibit 32 that was marked in examination. I don't have the ability to pull it up on the screen for you, ma'am. It's the e-mail exchange on July 16th, 2007 between yourself and Diane Ms. Miranda? A. Yes. Q. Okay. This is an interaction	2 3 4 5 6 7 8 9	about the effectiveness of Anda's suspicious order monitoring system, correct? A. He asked about the effectiveness, which I couldn't really comment on, having not worked there. Q. Yeah, and that was interesting. I think you were asked a question by defense counsel about did Anda have its own DEA compliance group.
2 3 4 5 6 7 8 9 10	Q. And you parsed the language closely in some areas with counsel. I'd like you now to look at Exhibit 32 that was marked in examination. I don't have the ability to pull it up on the screen for you, ma'am. It's the e-mail exchange on July 16th, 2007 between yourself and Diane Ms. Miranda? A. Yes. Q. Okay. This is an interaction phone call you had with a Mr. Mapes from the	2 3 4 5 6 7 8 9 10	about the effectiveness of Anda's suspicious order monitoring system, correct? A. He asked about the effectiveness, which I couldn't really comment on, having not worked there. Q. Yeah, and that was interesting. I think you were asked a question by defense counsel about did Anda have its own DEA compliance group. Do you recall that?
2 3 4 5 6 7 8 9 10 11	Q. And you parsed the language closely in some areas with counsel. I'd like you now to look at Exhibit 32 that was marked in examination. After you were summoned to go and meet with the DEA in Washington, who came with you from DEA compliance at Anda? A. I believe Michael Cochrane. Q. CEO?

	Page 741		Page 743
1	Q. Okay. Well, let's look at your	1	A. For cause.
2	writing in Exhibit 2. Exhibit 2 is your summary	2	Q. For cause. It wasn't just a
3	of your experience at Ciba-Geigy, Watson,	3	regular distributor meeting that you talked
4	Qualitest, et cetera; do you recall?	4	about having being aware of that was
5	A. Yes.	5	happening in the industry, correct?
6	Q. And you note in the middle of the	6	A. Actually, it was a bad choice of
7	description	7	words.
8	MR. BUCHANAN: Could we pull up	8	O. You've told us about several
9	1146.2 and go to the Watson entry in the	9	words that I think you'd rather recast in your
10	middle of the paragraph.	10	oral testimony, but what you wrote when you were
11	BY MR. BUCHANAN:	11	characterizing your experience, on reflection at
12		12	Watson, was that the DEA meeting was for cause,
13	Q. It says, "However, Watson purchased Anda and certainly afterward, Anda was	13	correct?
14	summoned to DEA as a result of their lack of a	14	
			A. That's what I wrote, yes.
15	robust SOM program."	15	Q. And that "immediate action was
16	Did I read that correctly?	16	required," that's what you wrote, right?
17	A. You did.	17	A. Yes.
18	Q. "I did not support Anda from a	18	Q. "Immediate action required,"
19	DEA perspective as they had come to Watson with	19	correct?
20	their own DEA person."	20	A. That's what I wrote, yes.
21	And it notes, however, you were	21	Q. Not suggested, right?
22	asked to be their DEA representative for the	22	A. That's what I wrote, yes.
23	meeting in HQ.	23	Q. Not just to go above and beyond,
24	Did I read that correctly?	24	right?
1 2	A. Yes.Q. And what you listed for the	1 2	A. Yes. Q. Required?
3	people that you went with to that meeting were a	3	A. As written.
4	representative of the legal department, correct?	4	Q. That's what you wrote?
5	You can read it in the next	5	A. As written, yes.
6	sentence.	6	Q. Okay. Anda then revamped their
7	A. Yes.	7	program and we conveyed the results to the DEA.
8	Q. What you listed	8	Did I read that correctly?
9	A. I don't know who the legal person	9	A. You did.
10	was.	10	Q. Okay. Mr. Mapes, you referenced
11	Q. You went with legal and the	11	an interaction with him in this 2007 period of
12	individual who at the time was the president of	12	time.
13	Anda, correct?	13	Is that the same Mr. Mapes that
14	A. Yes.	14	Qualitest brought in to evaluate their program
15		15	in 2008 that we looked at yesterday?
16	Q. And we talked about the binder	16	ž ž
	you got, and I won't revisit that.		A. Yes, I believe so.
17	But then you note, however	17	Q. That identified inadequacies with
18	well, actually, we probably should. "DEA	18	the SOM program at Qualitest?
19	presented and provided a binder as they have	19	MS. VANNI: Object to form, and I
20	done for most companies at this point" in time.	20	think we're at time.
0.5	Do you see that?	21	THE WITNESS: Again, I'm not
21	•		
22	A. Yes.	22	sure.
	•	22 23 24	sure. BY MR. BUCHANAN: Q. What's that?
